ABOUT THE AUTHORS

Charles Breakfield: Charles holds a master's degree and works for a high-tech manufacturer as a solution architect, functioning in hybrid data/telecom environments. A long-time [technology](#) geek, Charles enjoys writing, studying World War II history, travel, and cultural exchanges. He's also a fan of wine-tastings, riding his Harley, and continues developing his woodworking skills. He was also included in people on the move in the Dallas Business Journal.

Rox Burkey: Rox has two passions – working with technology and writing. She enjoys working to drive optimized customer experiences with technology in her role with a high-tech manufacturer. Texas is home for her and her family. When time permits Rox likes gardening, hiking, sewing, refinishing antiques, exploring, wine-tasting, and traveling. She loves to listen to people which often results in odd treasures that come to life in her stories. She was also included in people on the move in the Dallas Business Journal.
