

Local Nonprofit Responds To Rising Inflation By Slashing Family Store Prices

The Salvation Army of Palm Beach County reduces Thrift Store prices to help local families overcome financial difficulties.

WEST PALM BEACH, FL, USA, June 14, 2022 /EINPresswire.com/ -- West Palm Beach, Florida (June 14, 2022) – The Salvation Army of Palm Beach County will be offering a 25% discount on already reduced prices at its two Family Stores during the month of July. The decision was made to help families deal with increasing clothing, furniture, and appliance prices created by rising inflation and the nation's current financial crisis.

“We are always looking for impactful ways to serve those with the most need in our community,” said Major James Hall, The Salvation Army’s Area Commander. “Our mission is to always strive to ‘Do the Most Good!’ Seeing consumer prices and the cost of living continue to rise throughout our Palm Beach County, we decided to help alleviate the financial burden placed on families by lowering our Family store prices.”
