

A former unicorn founding member raised funding to revolutionise the legacy customs management software industry

LONDON, UNITED KINGDOM, June 17, 2022 /EINPresswire.com/ --

[ClearCustoms](#) is on a quest to disrupt the customs clearance industry and the \$8 trillion legacy supply chain software

market. It will substantially reduce the time and cost of 200 million additional yearly import and export transactions between the UK and EU post-Brexit.

The investment is led by Fuel Ventures, Plug and Play Ventures, and renowned angel investors.

“

ClearCustoms powerful ML & AI solution enables importers, exporters, freight forwarders, and customs clearing agencies in the UK and EU to significantly reduce customs declaration time and cost.”

Adnan Zaheer

ClearCustoms is headed by Adnan Zaheer, a trained accountant with experience in FTSE100, startups, and the Big 4 consultancy firm. He’s the founding member of Smart Pension. He is also the founder and president of [Seers](#), a leading privacy and consent management platform.

“After Brexit, customs clearance requirements in the United Kingdom have impeded trade. March 2022 exports are 22 percent lower than March 2018 exports.” said Adnan Zaheer, CEO of ClearCustoms. "ClearCustoms has arisen as a solution for businesses facing a variety of

issues stemming from the current worldwide pandemic and Brexit, which have negatively impacted the global supply chain and exposed legacy supply chain software."

Benefits of ClearCustoms include:

- Integrations with hundreds of carriers, eCommerce platform and logistic softwares
- Accurate and timely digital documentation for Electronic Customs Records compliance
- Customs Clearance only in a few minutes
- Increased customer satisfaction by accuracy, time and cost savings
- Technical team led by UK's ex-HMRC technology leaders specialised in customs.
