Global [Mattresses, Blinds And Shades Market Trends](#)

The demand for organic and eco-friendly mattresses is increasing in many developed and developing economies shaping the mattresses, blinds and shades market outlook. This is mainly due to growing consumer preference for healthier products and increasing concerns about harmful chemicals, pesticides and allergies. Organic and eco-friendly mattresses are manufactured using organic and natural materials, which reduce both health and environmental risks. To cater to the growing consumer demand for organic and eco-friendly products, several mattresses manufacturers have switched over to alternative materials such as organic cotton, wool, natural latex, organic latex, plant-based foams, and other plant materials. Some of the
