

# AGC Georgia and AGC of America team to Award Contractors for Safety Excellence

*Numerous firms receive honors on the national level*

ATLANTA, GA, UNITED STATES, June 15, 2022 /EINPresswire.com/ -- As the leading association for the construction industry in Georgia and at the national level, the Associated General Contractors of Georgia (AGC Georgia) and the Associated General Contractors of America (AGC of America) annually partner to recognize firms for company-wide safety excellence. Thirty Georgia-based construction firms were honored for their dedication to safety throughout the 2021 calendar year. "Construction safety is a key principle that is

paramount to every project, and these firms are the standard bearers of that commitment," AGC Georgia CEO Mike Dunham said. "We are incredibly proud to recognize these firms for their safety-centric culture and are excited to honor them for their dedication."

“

Construction safety is a key principle that is paramount to every project, and these firms are the standard bearers of that commitment,"

*AGC Georgia CEO Mike Dunham*
