PUR Cold Pressed , a company selling cold pressed juices, has launched a series of juices packed with antioxidants, vitamins and a variety of superfoods. In preparation for the summer, customers can select their favorite juices to be delivered right to their doorsteps, whether as a one-time purchase or as a subscription order!

PUR Cold Pressed is helping customers get ready for summer with their series of cold pressed juices. Cold pressed juices are highly sought after for their nutritional value, ensuring that the fruits and vegetables used in the juices are not degraded or oxidized.

Brooke Galko, Chief Juice Ambassador explained, "As much as possible, the ingredients used in PUR Cold Pressed juices are locally sourced. Not only does this help to reduce carbon footprint, it ensures that juices can be kept as fresh as possible at the point of reaching the customer." One popular product to try out this summer is the Cold Pressed Lemonade Discovery Kit. This is the perfect starter set for customers who are new to cold-pressed juices and would like to try out a variety of flavors, including the Turmeric Lemonade, Pineapple Lemonade, Strawberry Basil Lemonade and Blue Majik Lemonade.

For customers who are looking to try something new or a little bit different, the Blue Chia Apple Pineapple [Cold Pressed Juice](#) is a good option. This beautifully colored juice is all natural, coming with no added sugars. The combination of pineapple, apple, blue spirulina and chia seeds, it is one of the most popular drinks at PUR Cold Pressed . As a superfood, chia is a great source of
