

# Solar Stik, Inc Recognized for Excellence in Manufacturing

*Solar Stik, Inc receives the Florida Sterling Manufacturers Business Excellence Award*

SAINT AUGUSTINE, FL, UNITED STATES, June 16, 2022 /EINPresswire.com/ -- St. Augustine, FL, June 14, 2022-- Solar Stik has been selected to receive the Florida Sterling Manufacturing Business Excellence (SMBE) Award. The SMBE Awards are given annually to Florida manufacturers who achieve high levels of performance in categories such as leadership, strategy, knowledge management, and operations. Solar Stik was chosen among 160 talented nominees in a rigorous selection process.

“Our commitment to extreme customer service starts with our focus on quality manufacturing of everything we build,” said Stephanie Hollis, CEO of Solar Stik, Inc. “This Sterling Manufacturing Business Excellence Award validates our company-wide investment in our mission to ‘make it right the first time’”.

Solar Stik, established in 2006, has steadily expanded their capabilities in the portable hybrid power industry. A Florida Woman-Owned Small Business, Solar Stik [unveiled a new 20,000 square foot facility](#) last year in West Saint Augustine, earning its HUB Zone certification by SBA. “Seeing us grow

people with a dream in a 400 square foot shed to almost 50 team members in this large factory is so hard

to wrap my brain around", said Brian Bosley, Chief Innovation Officer and creator of the original Solar

Stik, which is the company's namesake. "Our mission was to revive American Manufacturing while

convincing the world portable power can be done differently!"

Solar Stik builds portable hybrid power systems for rugged, off grid applications in the 1 to 15 kW power

spectrum. Comprised of solar panels, gas generators and power management equipment, with the

batteries at the heart of the system for maximum power efficiency. Solar Stik has thousands of Systems

deployed worldwide for customers including Department of Defense and US Military.
