Disney Plus VS. Peacock TV: The Streaming Media Debate

THE UNITED STATES, June 16, 2022 /EINPresswire.com/ -- With so many streaming services competing these days, it's really difficult to choose the best one. Disney Plus and Peacock TV are such popular streaming services, offering a wide variety of content. Disney Plus is an on-demand streaming service that is home to Pixar, Star Wars, Disney, Marvel, National Geographic and more.

Peacock TV, on the other hand, mainly shows series and movie content from NBC Universal Studios and other third-party content providers.

Disney Plus also has a number of supplemental features, including a narrator feature for hearing impaired subscribers, but those who don't need this feature will find it intrusive.

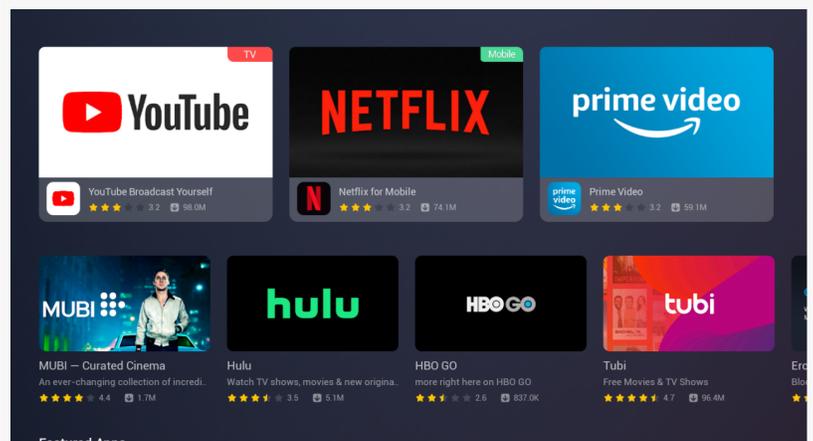

Therefore, users need to understand [how to turn off narrator on Disney Plus](#). There is also something called the "Disney Bundle" which includes Disney+, ESPN and Hulu plans.

Disney Plus has more than 116 million subscribers, and Disney Plus costs \$7.99 per month or \$79.99 per year. As a result, an annual membership is more cost effective because it is almost 20% less if you pay a monthly fee for the entire year.

Peacock TV offers two paid plans and a free ad-supported plan. NBCUniversal streaming service has a growing library that includes replays of past NBC hits. Users can use CLOSED CAPTION to
