

# HIT Holdings Inc enters into a partnership agreement at FIFA World Cup Qatar 2022

*HIT Holdings (HIT) and Center for Development Intelligence (CDI) to present innovative technologies in Web 3.0, NFTs, intelligent vending, and the Metaverse*

NEW YORK, NEW YORK, UNITED STATES, June 17, 2022

/EINPresswire.com/ -- HIT and partners are thrilled to bring an immersive and luminous exhibition of digital technologies to the FIFA World Cup Qatar 2022 that will bring communities together for a world-class digital experience.

HIT will lead the design and development of the digital experience for African nations and world cup fans worldwide. HIT will assist and curate the dynamic digital art, fashion, 3D metaverse experiences, gamification, smart vending machines, a digital version of the business lounge, a marketplace for NFT and merchandise, and media coverage. HIT will also leverage its extensive network to bring in essential sponsors and partners. These measures will align with the strategic objectives at the FIFA World Cup Qatar 2022.

“

We Don't just innovate Software; We Deliver Success!”

HIT

“We are honored to partner with CDI to build a digital experience at the FIFA World Cup Qatar 2022. We are very excited to create a state-of-the-Art experience for fans and enterprises to interact and make a genuine connection between the African nations and the entire world”, said Hussein Abu Hassan, Co-Founder, and President of HIT Holdings.
