Upgaming is delighted to share the news of a recently established partnership with B2B online casino software provider BlueOcean Gaming.

According to the deal, Upgaming's eye-catching and highly engaging mini-games will be incorporated into BlueOcean's aggregation platform GameHub. Therefore, from now, the large network of their clients will have the possibility to dive into the new world of funny and dazzling mini-games.

“

e believe that incorporating Upgaming's mini-games into the GameHub platform will increase the loyalty of their customers and interest and drive more clients to the BlueOcean Gaming's base.”

*Giorgi Davlianidze*

Upgaming's mini-game collection includes titles such as Keno, Chicken, Dice, HiLo, and the most lovely and famous character – Dino. Cherished among gaming fans around the globe, Dino offers engaging and straightforward gameplay with an attractive, captivating environment and a thrilling sense of adventure. All of our mini-games share the same qualities and appealing features with a user-friendly design.

“Undeniably, Upgaming's partnership with BlueOcean

Gaming has been very valuable. The latest deal is a perfect manifestation of our cooperation continuing to blossom and bring success for both of us and our clients. We believe that incorporating Upgaming's mini-games into the GameHub platform will increase the loyalty of their customers and interest and drive more clients to the BlueOcean Gaming's base.”

Giorgi Davlianidze, Business Development Manager at Upgaming

"It is great to watch our GameHub portfolio grow, especially with such unique content as Upgaming's collection of mini-games. Our portfolio mainly consists of slot games. Therefore, welcoming new game providers who develop something different and fresh is definitely great news for our network of operators who are always on the lookout for innovative games. We are confident about the mutual success of this partnership."

Sara Turk, Account Manager at BlueOcean Gaming
