

The Ultimate Charity Movie Premieres In Plano, TX June 21, 2022

One Father's Mission to Prevent Cancer through The Spirit of a Game

PLANO, TX, US, June 17, 2022 /EINPresswire.com/ -- A staggering 1 in 3 people will be diagnosed with cancer in their lifetime. This disease can start almost anywhere in the human body and can encompass a multitude of organs and / or tissues. In fact, cancer is the leading causes of deaths in the United States and across the globe. Given these statistics, odds are that every American has dealt with the burden of cancer in some way.

A cancer diagnosis can cause much trepidation, but one father did not let his fear and angst overcome him, as his son at 8 years old, battled cancer for the first of 3 times. The Gerencser's family narrative is an amazing true story of courage and conviction, [The Ultimate Charity](#), Movie Premiere is Tuesday, June 21 at the Angelika Film Center and Cafe in Plano. The movie chronicles Jim's account of his son Eric's journey with cancer and how the non-profit, sharing his son's name, E.R.I.C., (Early Detection is Critical), came to fruition.

The heartfelt film is a factual account of the family's and father's journey to save lives by recognizing cancer. He began this labor of love through an unlikely avenue - the game of frisbee, with the formation of The Dallas Roughnecks. This must-see film is a candid account of faith, courage, and love with many surprising twists throughout their journey. Jim's goal is to encourage people to speak up when something isn't quite right. Jim believes vocalizing concerns can save lives, even possibly your own. Additionally, early detection is vital when it comes to the care and treatment of a cancer diagnosis.
