BOCA RATON, FL, US, June 21, 2022 /EINPresswire.com/ -- Mobility City Holdings Inc., a leading Home Medical Equipment (HME) franchisor, resumed its rapid growth and was honored by prestigious Entrepreneur Magazine and awarded a position in their list of the Top 150.

"We are honored to be included by [Entrepreneur Magazine in the top 150 Franchise Brands](#) under five years old. Considering the lofty brands in this competition, it is

thrilling that Mobility City is ranked 91st. With the addition of 14 locations in major markets in the most recent 8-month period, our system now totals 34 franchises in 22 states. We effectively cover 84 million Americans or 25.5% of the population. As our network grows, so does our ability to help people in need." said Diane Baratta, President, and CEO.

"According to the Entrepreneur Magazine Announcement, if you're looking to buy a franchise you can hop aboard a potential rocket ship that's just leaving the ground by joining Mobility City. The Top 150 franchise brands are the cream of the crop for the last 5 years. Well over 300 brands begin franchising their concepts every year, making tough competition for the Magazines elite TOP 150 listing. Interestingly, the number of new brands has remained consistent despite the unique challenges of the past two years." said Vincent Baratta, COO.

"Mobility City Holdings Inc. has thrived and continued to grow despite the pandemic-fostered business challenges we faced these past two years. Our success is directly related to our innovative [Franchise model](#) which provides our Franchise Owners with the opportunity to grow their businesses while truly helping people who need our help," said Diane Baratta.
