Gameday Decisions® Platform as a Service (PaaS) uses a company's "virtual artifacts" to assess, manage and change people and processes. Through the creation of next generation AI and Machine Learning tools, the platform creates a comprehensive picture of how well your product innovation process is evolving in real time.

Since the dog days of 2008, PlazaBridge Group has been helping companies bring innovation front and center to their company's success. Applying unique process improvements to all aspects of revenue growth, our experts deliver on the promises of organizational impact, market advantage and the potential of innovative product strategies. When your revenue is in focus, asking PlazaBridge Group associates to work with your existing teams can be a formula for lowering risk and improving opportunities to expand markets, product lines and internal business development processes.

Andy Jacob says, "It's the goal of DotCom Magazine to provide the absolute best in what entrepreneurship has to offer. We have interviewed many of the world's leading entrepreneurs in their respective field. It takes amazing leadership to build a company like PlazaBridge Group. There are so many powerful and talented entrepreneurs throughout the world, and I am extremely fortunate to interview the best of the best. I always come away humbled by how many talented people are building amazing companies. As we scout the world for interesting entrepreneurs and companies, it is always a wonderful experience to meet leaders like Teresa Spangler, who are forging an incredible path for others.
