

NIX United at ITEXPO 2022

At ITEXPO 2022, the NIX United team shares its expertise in developing software for different business domains leading to business digital transformation.

FORT LAUDERDALE, FLORIDA, USA, June 20, 2022 /EINPresswire.com/ -- [NIX United](#), a global software development company, will be exhibiting in one of North America's most significant and longest-running technology events in Fort Lauderdale, Florida, from June 21 to 24, 2022. [The ITEXPO event](#) focuses on digital transformation and is a well-balanced blend of education, research, networking, and entertainment. NIX United will be present at booth #667.

Over three days, participants can meet and network with 7000+ other attendees, 3000 companies, and 200 exhibitors for implementing the latest technology into business. The conference program covers unified collaboration and communication, analytics, network management, cloud technology, cybersecurity, AI & machine learning, the future of work, blockchain, and more.

As a tech company with 28 years in business and 3000+ IT specialists, NIX United will present best practices for helping businesses grow with a focus on future-proof solutions, improving operational efficiency, reducing cost, and increasing business productivity. Our team of experts that will be present at the event includes Anna Vorobiova (Head of Business Development), Alina Lovchynovska (Business Development Manager), Jerry Hansen (Director Of Business Development), and Marcus Mayer (Director of Client Solutions). They are excited to meet with you and talk about your business goals and collaborate on fulfilling them.
