Surf Rodeo prides itself on being a platform for world-renowned surfers, musicians, and artists. We have something for everyone... ride the bucking mechanical bull, enjoy California's top food trucks! Surf Rodeo is where the music meets the sand.

**“** We try to remind ourselves we are all out for the same thing, to just have fun and laugh at ourselves a little, getting together through music and surfing.” *JD Drury*

Year over year we continue to bring more and more music!! We started with 5 only bands in 1997 and now we have over 40!... with international acts such as The Green, Hirie, Ozomatli, Badfish, Yachtley Crew, Bob Log III, The Aggorlites, Rob Leines, A.D.D., Highway Starr and many more!! Go to [www.SurfRodeo.org](http://www.SurfRodeo.org) to see all of this year's acts.

The Surf Contest is "Rodeo Style" meaning surfers draw sticks out of the sand to determine

which retro style board they will surf in their heat, which evens the playing field and makes for a weekend of very entertaining surfing for spectators. "By creating a unique surf contest and adding fun games such as the greased pig paddle race and the hay bale obstacle race, we've lightened the feeling of competition," said JD Drury, founder of Surf Rodeo. "We try to remind ourselves we are all out for the same thing, to just have fun and laugh at ourselves a little, getting together through music and surfing." You never know who will show up as past contenders have been world renowned surfers such as Kelly Slater, Dane Reynolds and Tom Curren.

Surf Rodeo loves the local community and has worked for years to help raise funds for the Boys and Girls Club of Greater Ventura County, The Young and Brave Foundation, A Walk on Water, and several others. "We've raised well over \$60K for our local charities." This year, attendees will be able to help Surf Rodeo give back to the community by entering a drawing to win a 1963 5 Window Ford Econoline Pickup Truck styled by Noble Fabrications.
