Over the past 14 months, the founders Sal Peer and Alex Athey find themselves at angels' and VCs' doorsteps.

"It's been a long journey, but the time has come to allow all people to link to Satellite Writer." - says Alex Athey, CTO of [AI Exosphere](#).

“

I believe we have a disruptive offer, the best technology, and I am proud of the work we have done.”  
-said Sal Peer, CEO of AI Exosphere.

Over the past few months, the company has focused on elevating user experience by adding a mobile application for iOS and Android. The company also added many new skills (use cases), including marketing frameworks, AIDA/PAS posts and emails, coding, and educational code explanations.

"I believe we have a disruptive offer, the best technology, and I am proud of the work we have done." -said Sal Peer, CEO of AI Exosphere.

No one knows, but it is rumored that the startup will launch Satellite Writer soon.
