/EINPresswire.com/ -- The [RV Skirting](#) comes in a kit and its universal fit works with any size or type of RV, regardless of the make or model. The popular "No Drill" fastener system uses extreme hold 3M® adhesive that holds on in all weather extremes, from 50 below to 50 above.

The EZ Snap Skirting kit allows RV owners to use their own labor to fit and install professional-grade RV Skirting for thousands less than a custom skirt from an upholstery shop. No experience or special tools are required.
