FLAGSTAFF, AZ, UNITED STATES, June 21, 2022 /EINPresswire.com/ --

Experience oohs and aahs or hoots and hollers along with big laughs, giggles, and smiles as you look up to an amazing night sky on the [4th of July in Flagstaff](#). This new laser light show will captivate your attention replacing the standard fireworks with a stunning display of multicolored lights and lasers in sync to fun music. "The shift from traditional fireworks to a laser light show was the responsible action to take due to extreme fire risk with the dry and hot conditions in the

northland. It is extremely important to have a safe celebration and be fire aware," said Flagstaff City Manager Greg Clifton. "And it is also important to have a yearly celebration that we can all anticipate and rely upon, without the disappointment that comes from frequent cancellation of fireworks."

“

Expect an awe-inspiring laser show with country and patriotic music at the Flagstaff Continental Country Club. This event will be fun for the entire family."
