

Sherwood Furniture Building Sold

Furniture Inventory Liquidation Sale

WEST BLOOMFIELD, MI, USA, June 21, 2022 /EINPresswire.com/ -- Sherwood Furniture, the metro Detroit-based company, announced the sale of their 23,000 square-foot building on Orchard Lake Road in West Bloomfield. They are now actively liquidating everything in the building down to the bare walls.

The announcement comes from Mark Morganroth, the company owner.

Incorporated in 1949, Sherwood Studios has been serving the Metro Detroit Market since, changing the name to Sherwood Furniture.

"With 23,000 square feet and the store we've had since 1989, we've reached a point where we need to rethink and focus more on our interior design services and exclusive furniture galleries."

Sherwood Furniture is located at 6644 Orchard Lake Rd., 48322 in West Bloomfield.

Sherwood Furniture's furniture and accessories showroom has always been an extension of the interior design passion of owner Mark Morganroth. "For over 50 years, I always learn about clients' needs and help them with everything, including construction, painting, carpeting or hard flooring, window treatments, and all household furnishings." As a result, Sherwood Furniture has the

largest Ekornes Gallery within 130 miles. The array of high-end furniture and accessories offered has been unmatched for decades. The interior design staff has a cumulative 100 years of experience.
