

Amano Pioneer Eclipse Launches New E-Commerce Website

Amano Pioneer Eclipse launched a new content-rich and engaging website featuring E-Commerce functionality.

SPARTA, NORTH CAROLINA, US, June 22, 2022 /EINPresswire.com/ -- [Pioneer Eclipse](https://www.pioneereclipse.com/), a worldwide leader in facility cleaning and floor care products, launched a new content-rich and engaging website featuring E-Commerce functionality.

“This new e-commerce solution is one more expansion of the company’s customer service program” said Mark Plemons, Global Product Manager for Pioneer Eclipse. “In addition to our live support team customers can now order products, manage order history and account payments any time that suits their operating schedules.”

“

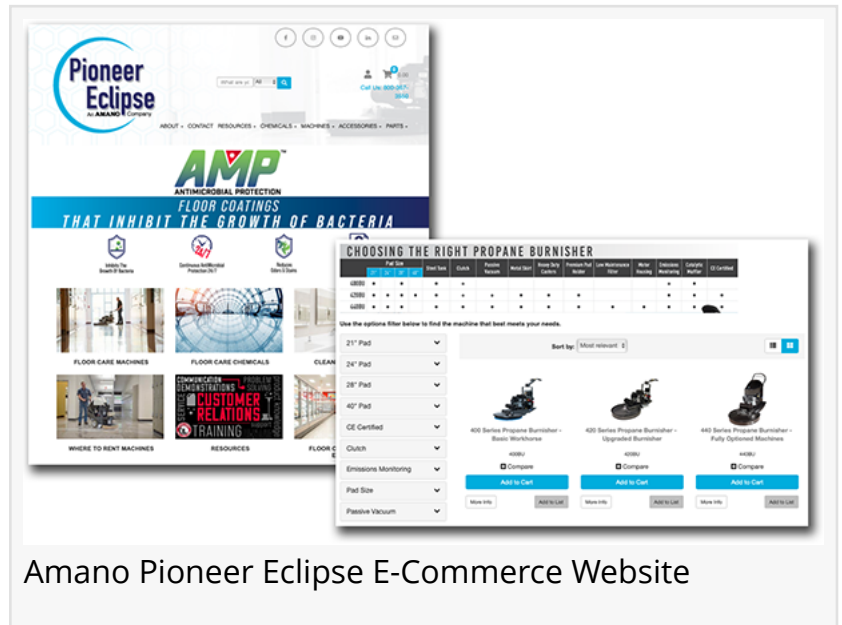

This new e-commerce solution is one more expansion of the company’s customer service program.”

Mark Plemons, Global Product Manager

The new website includes enhanced content, navigation and product comparison tools for visitors to easily learn more about the product lines all within the e-commerce environment. This new E-Commerce solution at <https://www.pioneereclipse.com/> is available to Pioneer Eclipse wholesale distributors and to building service contractors (end users). Distributors now have the option to use a secure portal 24/7 to place orders, pay invoices, track order history and more using the new website.

Building service contractors now have the option to continue working with their local distributor or to order Pioneer Eclipse products direct online. To aid their purchase decision process, contractors can also use the site to request job-site product demonstrations.
