In a recent interview with Alan George James, we asked him how he achieved such an incredible feat during the lockdown of 2020, here's what he had to say:

Alan headed up the team at Maximum Risk Films to deliver a breathtaking drama which focuses on the gripping reality of the danish underworld. Moving on to a brighter future Alan George James has hinted at extremely exciting new projects in the pipeline. More to follow soon, but for now we eagerly follow Alan's instagram www.instagram.com/alangeorgejames for all the latest info regarding his upcoming work.

The filmmaker finding app [Setwork](#) was also a major collaborator within the feature film and Alan, the Founder & CEO was eager to let us know how this process was able to help the production process:

“Finding cast and crew was a breeze with Setwork. It was so satisfying to know that the platform is being picked up and put to use for scenarios just like this, where you need to find cast and crew in a pinch!”

For more information about Setwork head over to their website www.setwork.ai for all the latest updates.

It was a pleasure speaking with Alan and learning about all the exciting innovation that he and his team are bringing to the film industry.

“

My team and I were equipped with all the gear we needed to get the job done. Renting extra gear was tough as all the rental houses were closed, so we made the most with what we had available.”
