

# MoonWalker.club Success and adoption with the Best NFT Collection

MIAMI, FLORIDA, ESTADOS UNIDOS,  
June 25, 2022 /EINPresswire.com/ --  
MoonWalker.club A brand for the  
Metaverse by the community and for  
the community

For those who don't know,  
MoonWalkers.club is a collection of  
8,888 unique NFTs, with categories like  
accessories, facial LED features,  
backgrounds, and more.

Currently, Moonwalker.club NFTs have  
not yet been minted, right now you can  
be part of the exclusive NFT  
community, the project plans to go out  
at ETH 0.01. on different dates and  
with different allocations

The project has been high on the radar  
of enthusiastic investors; the project

will sell a block of 1000 exclusive one-off NFT pieces as a Genesis Collection to the OG Whitelist

MoonWalker.club will be an asset on the ETH chain. The founders of the entire project have an intuitive vision for the future of the project, creating artistic value in the NFT market while incorporating the value of a luxury brand and victory in the Metaverse attracting new stakeholders to the ecosystem.

By applying Web3 concepts to its existing system, the project will allow users to use their MWC avatar in different applications.

We will start with exclusive collaborations of streetwear, Art Toy Figures, NFT Airdrop of different collections, Art, Games, Digital Comics, Energy and Alcoholic Drinks, Live Events, starting in December with An Exclusive NFTFEST Party in Miami.

Real world extensions and much more to be revealed over time.

The community at MWC enables a new genre of media that the world hasn't yet seen, and we need to explore together, A New Cultural Marketing.

An investment in MWC will not only deliver value to users in the form of NFTs; will produce many more values. Thanks to the artistic sense of the developers, the richness of NFTs has been recognized through positive reviews throughout the community. With the extensive list of benefits offered by the project, MWC can expect to change the NFT market and the accompanying Web3 space.

An MWC is your BADGE in the Metaverse, a universe that we will build together.

The Space is a corner of WEB 3.0 where art and community merge to create a New Collective Culture. The lines between the physical and digital worlds are being redrawn and the rules are being rewritten.
