Form 2290 is the Heavy Highway Vehicle Use Tax Return. Owners of trucks weighing 55,000 pounds or more must file this form and pay the Heavy Vehicle Use Tax annually. The deadline to file this form is based on the vehicle's first used month. For many drivers, this deadline falls on August 31st.

ExpressTruckTax offers drivers and trucking businesses an

easy e-filing option for their Forms 2290, including time-saving features and affordable pricing. The team at ExpressTruckTax also provides excellent, live customer support for their clients, available in both English and Spanish.

While the official 2290 filing season begins on July 1, 2022, ExpressTruckTax clients can take advantage of exclusive pre-filing beginning in May. This gives clients more time to file their forms while avoiding the peak of the season when the IRS is flooded with 2290 forms.
