For all those in search of cutting edge wedding designs, you are in luck. No two marriages are the same, nor should any two wedding suits be the same. That is where The Tailory New York comes in; they produce 100% custom wedding suits, tuxedos, dresses, jumpsuits, and capes.

"Customizing someone's wedding attire requires a holistic understanding of how they want to look, and feel," says Shao Yang, Founder & Creative Director of The Tailory New York. She adds, "To deliver what they want goes beyond fit and fabric. That's why we cover all factors like venue temperature, duration of time spent in the attire, as well as what the fabric needs to endure. Simple questions like: 'do you plan on doing a split on the dance floor,' go a long way. There would be no happily ever after without discussing all the necessary details."

This news comes in the wake of many recent Pop Up events in: Chicago, Dallas, San Diego, Miami, Atlanta, Washington D.C., Philadelphia, & Boston. To learn more about The Tailory New
