mentally abused. He writes this new coloring, activity, and picture book for those who think there is no hope for them in life, and they feel their faith is about gone, or is gone. In his journey you will read about his life beginning as a little boy, a baby. Everything you read is true, and the people in his journey are all real. The names and places are all real. This is as real as it gets regarding his journey in East Prairie, Missouri and Dorena, Missouri both located in the northern end of the Mississippi River Delta, located in Mississippi County, Missouri.

Danny graduated East Prairie High School and was recruited to college at Murray State University in Murray, Kentucky. After graduation Danny became a fireman in Evansville, Indiana.
