*Highly experienced recovery coach Jannina Sanchez was recently promoted to new Recovery and Wellness Program Director*

LAKE WORTH, FLORIDA, UNITED STATES, June 28, 2022 /EINPresswire.com/ -- We are pleased to announce the promotion of Jannina Sanchez to the position of Recovery and Wellness Program Director

Jannina Sanchez is the Recovery and Wellness Program Director for We Level Up facilities. Before stepping into this role, Jannina's belief has been that her mission in life is to positively impact those who come across her path and help create a better world. As the originator of our Recovery Coach Program, she has initiated a way, for not only herself, but those within her department to do the same, by passing a message of hope to those struggling with substance use and co-occurring disorders, so that they may come to know what she calls a "freedom from self".

The recovery Coach Department is a positive reinforcement to provide our clients with a better understanding of the disease of addiction/alcoholism, an introduction to the twelve steps of recovery, as well as personal growth & development to increase a healthier lifestyle of recovery. We Level Up Recovery Coaches offer consistent motivational support, with an approach that encourages self-love, self-awareness, and a positive mindset to help ease anxiety, fear, and doubt during and after treatment. Recovery Coaches provide our clients with lifelong tools, creating a foundation to secure a strong, stable, and healthy recovery program so that our clients may utilize this in their daily lives.

"Thank you, Nina! You are an amazing example of WeLevelUp dedication, hard work, and perseverance, and we support you in your achievements and continued success! We couldn't be more proud!" said Jennifer Pauly, Vice President of Operation, We Level Up Treatment centers.
