About the Greenwich Polo Club:

Established in 1981, the Greenwich Polo Club is considered one of the world's top high-goal venues. The club opens its gates to the ticketed public on many Sundays, June through September, for an experience unlike anything else in their famous Sunday Polo Matches. From Manhattan, the grounds are easily accessible. In just a short train ride and Uber away, one will find a romantically stunning venue that showcases the first-class world of equestrian sports.

Home to the legendary White Birch polo team, one of the most successful in history, having won the most high-goal polo tournaments of any team over the course of the past 25 years, including the US Open Polo Championship in 2005, the club is as iconic as it is prestigious.
