Pacific Service Credit Union's Corporate Office and Concord Branch Moving to New Location in Concord, California

CONCORD, CA, USA, June 27, 2022 /EINPresswire.com/ -- [Pacific Service Credit Union](#) announced today that it has officially moved its corporate office and Concord branch location from 3000 Clayton Road to 1355 Willow Way in Concord, California. Purchased in December 2019, with an eye towards company growth and investing in the Concord community, the credit union acquired the Willows Office Park, a two-story office building located across from two of the city's major shopping plazas, The Veranda and the Willows Shopping Center.

The credit union purchased the Willows Office Park to accommodate its expanding workforce and to continue to commit to its mission of providing superior products and exceptional service to its members while deepening its roots in Concord.

"The purchase and subsequent improvement of the building is the largest capital investment in our history," stated Jenna Lampson, President and CEO. "It allows us to serve our existing members, position ourselves for growth and provide our employees with a best-in-class work experience," said Lampson.

Teaming up with NewGround, a St. Louis-based design-build firm, the credit union went through an extensive remodel of the office building to provide its employees a larger space with efficient work stations and functional, innovative collaboration areas. The building will also provide employees with convenient access to restaurants, shops, freeway, and ample outdoor seating areas and walkways.

The new Concord branch, located on the first level, is now operating its normal business hours for members to walk-in and attend to their financial needs. Private meeting areas are also available within the branch to discuss confidential transactions and close loans. ATM access and CoinStar services are also available.
