

# Space Blaster Challenge v1.0

DALLAS, TX, USA, June 28, 2022 /EINPresswire.com/ -- [Magnin & Associates](#) today introduces their new game, [Space Blaster Challenge](#), available on iPhone, Android,, Apple TV, Mac, Windows PC and Xbox.

Contains 9 space missions — collecting energy crystals, defeating enemy ships, steering carefully to avoid obstacles, and protecting the base.

Has easy to use movement and firing control, with rapid fire.

Extensive on screen Help, plus a briefing for each mission. Successful completion of each mission unlocks the next one. Replay previously unlocked missions whenever you want.

Optionally shares accomplishments via email, or text messaging (iOS, Android, and PC).

The iOS version is a Universal App which means it supports iPhone, iPod Touch, and iPad, including standard, Retina, and iPhone X displays. It also runs on Apple Mac/MacBook models with Apple M1 Silicon chip with easy to use keyboard and mouse controls. The Android version runs on most popular Android phones and tablets. The Windows version runs on Windows PC with,keyboard, and mouse or controller. It also runs on the Xbox with a controller.
