EDMONTON, ALBERTA, CANADA, June 29, 2022 /EINPresswire.com/ --

[Yellowbird Dental](#) is pleased to announce that they offer [dental implants in Edmonton](#), AB. Missing teeth can create significant problems for individuals, including issues with eating, speaking, and oral health. Dental implants offer an effective solution to replace missing teeth.

The dental team at Yellowbird Dental evaluates each patient's oral health to determine if they qualify for dental implants in Edmonton, AB. After approving treatment, patients will receive a titanium root anchored into the jawbone. The dentist places a temporary crown to protect the area during the healing process. After it heals, the dentist will install a permanent crown that looks and acts like the patient's natural tooth.

Dental implants from Yellowbird Dental are the ideal solution to replace missing teeth and restore dental health and function. Patients can enjoy eating, smiling, and speaking clearly without worrying about [dentures](#) that may slip or other tooth replacement solutions that make oral hygiene challenging. Dental implants can also anchor dentures to replace more missing teeth.

Anyone interested in learning about dental implant procedures in Edmonton, AB can find out more by visiting the Yellowbird Dental website or calling 1-587-855-7068.
