NASHVILLE, TENNESSEE, USA, June 28, 2022 /EINPresswire.com/ -- [Evolution Event Solutions](https://www.einpresswire.com/evolution-event-solutions) (EES), a strategic event management agency that has delivered extraordinary events with real results for the past decade, announced five new hires are joining the company in sales and operations roles.

EES, which is celebrating its 10th anniversary this year, is bolstering staff to address a surging demand for services as more industries return to hosting live events.

also managed and organized teams of event volunteers and staff for a global nonprofit organization. Having recently relocated from Colorado to Tennessee with her family, she brings her love of quality assurance and attention to detail to EES as the Sales and Executive Administrator.

After growing up in Wisconsin and attending college in Virginia, Katie McNair moved to Nashville in 2013 to pursue her passion for managing events. McNair brings her unique style and expertise to EES as a Senior Sales Manager.

A native of Florida, Susannah Poole graduated from Florida State University with a bachelor's degree in hospitality management and minor in entrepreneurship. She has several years of experience in the events industry in many different facets, including food and beverage management, vendor coordination and providing communications for events of all scale. Originally from Lenoir, North Carolina, and a recent participant in the Disney College Program, Benton Swann is eager to continue his event planning career with the EES team as Operations Assistant.
