

Webolutions Wins Communicator Award for New Potatoes USA Website

The Denver digital marketing agency continues to elevate the success of its clients with award winning website design and development.

DENVER, COLORADO, UNITED STATES, June 30, 2022 /EINPresswire.com/ -- Webolutions, [Denver's leading web development company](#) since 1994, has recently won a Communicator Award for the new website they created for Potatoes USA. They received the Award of Excellence for the Food & Beverage category.

"We're honored to receive this prestigious award," said John Vachalek, CEO and founder of Webolutions. "The Potatoes USA website project was extremely complex, and we're excited to have delivered an exceptional website that creates a great user experience and will achieve our client's marketing goals today and for years to come. We have already seen increases in their organic website listings."

audience.

In addition, receiving a Communicator Award provides validation that the work is highly regarded by industry leaders. The Award of Excellence is the highest honor earned by a Communicator Award, and it is given to entrants whose work has been deemed to be the best in the field.

Winners of the communicator award are selected by the Academy of Interactive & Visual Arts (AIVA), an invitation-only judging body that includes top-tier professionals from all areas of the marketing and communications industry. Many AIVA judges hail from prominent companies such as Amazon, Disney, GE Digital, IBM, Spotify, Time, Inc., the Wall Street Journal/Dow Jones, and Wired. Judging criteria consists entirely of evaluations associated with quality of craft. All entries are scored on a 100-point scale, and a minimum score of 90 is required to receive an Award of Excellence.

“Earning Communicator Awards and similar accolades is an affirmation that the Webolutions team is living our purpose: To Empower Passionate People to Thrive. We’re not only creating an environment where our talented team has the ability to deliver the exceptional work they’re capable of, but this work allows our clients to elevate their success and reach their potential,” said Vachalek.
