-- [SpyGlass](#), an industry-leading provider of telecom and [technology expense management \(TEM\) audits](#) and SaaS solutions, has been awarded a [Top Workplaces 2022](#) honor by cleveland.com and The Plain Dealer. This is the fourth time SpyGlass has earned the acknowledgment.

“

This honor reflects the strength, talent and camaraderie of our team members, who consistently demonstrate our values when interacting with each other, our clients and the communities we serve.”

Ed DeAngelo, Co-founder and Co-president of SpyGlass

“We’re proud to be recognized as a Top Workplace in Northeast Ohio again,” said Ed DeAngelo, co-founder and co-president of SpyGlass. “This honor reflects the strength, talent and camaraderie of our team members, who consistently demonstrate our values when interacting with each other, our clients and the communities we serve.”

“Winning multiple Top Workplace Awards is a testament to our employees’ 20-year commitment and collaborative spirit,” said Brad Clark, co-founder and co-president of SpyGlass. “This acknowledgment is a great way to kick off the second half of an already exciting year.”

The Top Workplaces list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”
