San Antonio, TX, nicknamed the "Alamo City," is the seventh-largest city in the United States and a Mecca for history buffs. These visitors can easily spend days at its popular historical tourist destinations from its Native American occupation, discovery by Spanish explorers, old missions, the Battle of the Alamo, and the Old West. Or visitors can enjoy family-oriented destinations like The Riverwalk, Sea World, and The San Antonio Botanical Garden. The city is also home to barbeque, the San Antonio Spurs, and a bustling business district.

Austin is home to a vibrant creative community and is also a mecca for visual artists, dancers, actors, crafters, and makers. Its South by Southwest® (SXSW®) conference celebrates the convergence of tech, film, and music industries and is held annually in March. Austin is also a favorite moviemaking location. As a result, it is home to many artists associated with music and film. However, the city is best known for its live music scene. Formerly a center of country and blues music, Austin now celebrates a variety of genres including rock, folk, jazz, and Latino music. One can find over a hundred music venues centered primarily around the Warehouse District and Sixth Street, locally known as "Dirty Sixth."

Austin is renowned as "Bat City" for its Congress Avenue Bridge is the largest urban bat colony in the world where roughly 1.5 million Mexican free-tailed bats roost. Sightseers are attracted to the bridge at dusk to see hundreds of thousands of bats take to the sky to feed. On summer nights, visitors can perch on the bridge or the nearby riverbanks to witness the spectacle. There are even boat tours that provide a unique perspective.
