

The Advocate Urges a Navy Veteran-Person Who Has Lung Cancer in West Virginia to Call the Legal Team at Danziger & De Llano If Before 1982 the Person Had Navy-Work Asbestos Exposure-Compensation May Exceed \$100,000

WHEELING , WEST VIRGINIA , USA, August 5, 2022 /EINPresswire.com/ -- According to the West Virginia US Navy Veterans Lung Cancer Advocate, "If your husband or dad has been diagnosed within the last twelve months and prior to 1982 he had routine exposure to asbestos in the navy or at work in West Virginia or anywhere in the USA please call the remarkable legal team at the law firm of Danziger & De Llano at 800-864-4000. Financial compensation for a person like this might exceed \$100,000-and it does not matter if they smoked cigarettes.

"What does matter is the person with recently diagnosed lung cancer can get specific of how they were exposed to asbestos in the navy or at work before 1982. It is this type of very specific information that becomes the basis for a compensation claim. Most people like this never get compensated-because they are not aware the \$30 billion dollar-asbestos trust funds were set up for them too.

"If you husband or dad has just learned he has lung cancer and he had significant exposure to asbestos in the navy or at work-before 1982 please call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000. As mentioned, financial compensation for a person like this

might be substantial."
