"I'm an award-winning Colored Pencil artist from Napa, California. For as long as I can recall, I've always felt the need to brighten my world with art. Every day brings new ways to work with the Colored Pencil medium. Some days it's a Colored Pencil on its own, sometimes combined with other mediums.

“

My life and artistic goals are intertwined. Never stop learning!”

Tracey Chaykin

Colored Pencil allows me to provide an opportunity for those unable to view wildlife in their natural habitats, a unique view using Hyper-realism, providing the ability to look and imagine as if they are there. Hyper-realistic art is also ideal for preservation and conservation, which I am actively a part of.

My life and artistic goals are intertwined. Never stop learning! Expand my knowledge base so that I can continue to preserve and share the awe of Nature's beauty for all to appreciate while ever expanding on the possibilities of what can be achieved with colored Pencil!”

Tracey Chaykin was also featured in the Amazon Best-Seller book, ATIM's Top 60 Masters, published by ArtTour International Magazine. This book features all artists awarded the 2022
