

The CoBuilders app launched to make house cleaning services faster and easier

Hiring professional cleaners is especially helpful to individuals who work from home and those who don't have the time to do regular home cleaning.

FORT WORTH, TX, UNITED STATES, June 29, 2022 /EINPresswire.com/ -- A Texas-based company has launched The CoBuilders, a new app that helps customers order affordable [house cleaning services](#) in the United States direct from their mobile phones.

The CoBuilders app is a two-way street, bridging a connection between customers who need house cleaning services and providing job opportunities for professional cleaners and cleaning companies nationwide.

According to the company founder and CEO Bukola Michael Nelson on the app's website, The CoBuilders app was launched to help homeowners and house renters forget the frustration and complication of looking for house cleaning services online. The app offers consumers the convenience of ordering cleaning services straight from their phones.

House cleaning has just gotten easier. The app is easy to use. Once installed, users will see an option to sign up to request cleaning services or register as a cleaner. After signing up, users who want cleaning services can schedule house cleaning time and date that works for them.

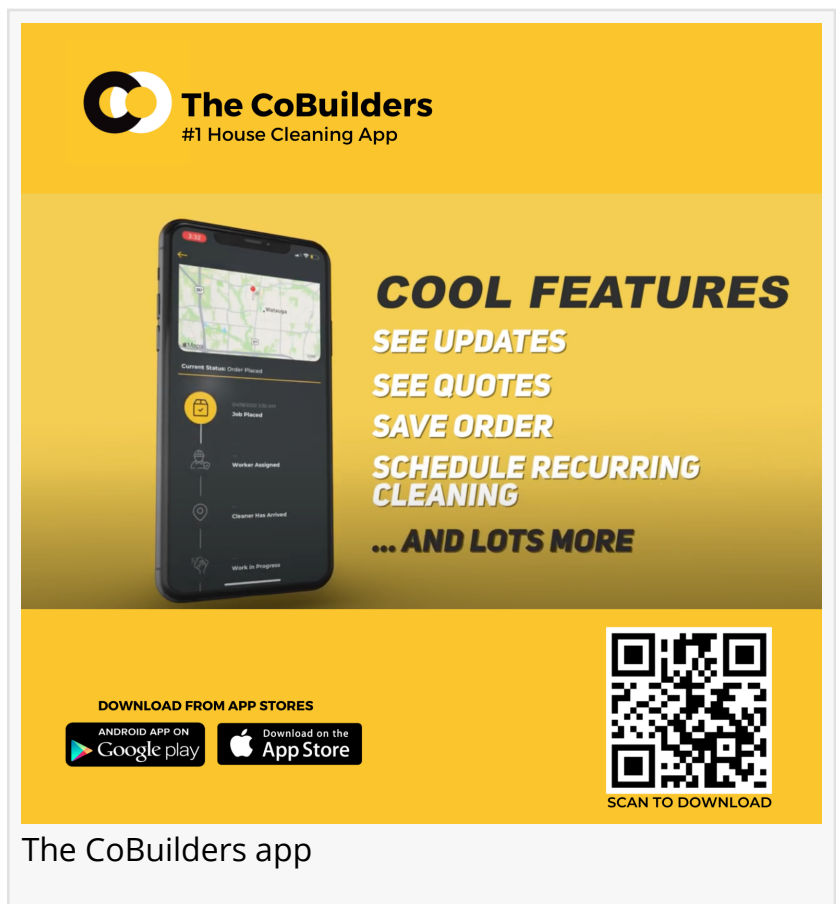

Customers can also get an upfront cost of the cleaning services, indicating the size of the house and the number of rooms and bathrooms. The cost includes a breakdown of the fees. If satisfied with the price, the customer can proceed to order cleaning services.

The CoBuilders app assures homeowners and renters of fast and efficient services. A cleaner will be assigned within 24 hours as soon as the customer pays. Customers can choose from four levels of cleaning through The CoBuilders app. The options include Standard, Deep, Move-Out, and After-Event cleaning. The rates vary and may increase depending on the size of the house or workspace and the service used.

Through the cleaning services app, customers can monitor the progress of their order from the easy-to-read dashboard. Users will get notifications when they place an order for cleaning services, when a worker is assigned, when the worker has arrived at the location, when work is in progress, and finally when the work is completed.

The advertisement for The CoBuilders app features a yellow background. At the top left is the logo, a stylized 'C' with a yellow circle inside, followed by the text 'The CoBuilders' and '#1 House Cleaning App'. In the center is a smartphone displaying the app's interface, which includes a map, a 'Current Status Order Placed' section, and a vertical list of steps: 'Job Placed', 'Worker Assigned', 'Cleaner Has Arrived', and 'Work In Progress'. To the right of the phone, the text 'COOL FEATURES' is written in bold, followed by a list of features: 'SEE UPDATES', 'SEE QUOTES', 'SAVE ORDER', 'SCHEDULE RECURRING CLEANING', and '... AND LOTS MORE'. At the bottom left, it says 'DOWNLOAD FROM APP STORES' with icons for 'ANDROID APP ON Google play' and 'Download on the App Store'. At the bottom right is a QR code with the text 'SCAN TO DOWNLOAD' below it.
