The Price of Peace by ML Nystrom

“A glorious, intense, emotional, and completely beautiful book. ML Nystrom nails the genre every time,” says Hot Tree’s acquisitions editor, Kristin Searce.

“

What price does she have to pay to finally find her peace?”

Price of Peace

Book three in the bestselling Dutchmen MC series, "The Price of Peace" is the story of one woman's challenging journey to find peace in a brutal world. It's a multilayered story of survival and devotion, complete with a happily ever after that romance readers will rejoice.

"Those eyes stared into hers for a long moment. Something let go in her middle. He wouldn't hurt her. She didn't know why she thought that. There was nothing in his gaze that indicated

compassion or pity or any other emotion. Snake eyes, some people might call them, but there was something that called to her." - from "The Price of Peace"

About the author: Romantic suspense bestselling author ML Nystrom had stories in her head since she was a child. All sorts of stories of fantasy, romance, mystery, and anything else that captured her interest. A voracious reader, she's spent many hours devouring books; therefore, she found it only fitting she should write a few herself.

ML has spent most of her life as a performing musician and band instrument repair technician, but that doesn't mean she's pigeon-holed into one mold. She's been a university professor, belly dancer, craftsperson, soap maker, singer, rock band artist, jewelry maker, lifeguard, swim coach, and whatever else she felt like exploring. As one of her students said to her once, "Life's too short to ignore the opportunities." She has no intention of ever stopping... so welcome to her story world. She hopes you enjoy it!
