

Marine and Police Officer Michael Roberts Releases Fourth Book in his Pale Rider Alternate History Series

Bestselling author Michael Roberts has released the fourth book in his widely successful alternate history series, Aden's Chance.

SOUTHERN CALIFORNIA, CALIFORNIA, USA, July 12, 2022 /EINPresswire.com/ -- In less than two years, [Michael Roberts](#) has achieved something amazing — creating a successful and best-selling alternate American history book series. The California author just released Aden's Chance, his publicist announced today. The book is positioned to become another bestseller and is available at [Amazon.com](#).

Aden's Chance is the fourth book in his Pale Rider series. Like the trilogy which precedes it, Aden's Chance continues the story of the Pale Rider character, a man sent into the past to help the colonists win the American Revolution. Readers will be entertained from the first page at this creative and unconventional approach to time travel and alternate historical fiction.

In this most recent book, Thomas Cain must travel to the War of 1812. Initially he is supposed to help General Andrew Jackson achieve victory, but he is side-tracked when a dear friend tries to change the tides of history and finds himself in trouble. Thomas Cain is the only one who can save him.

“Bravo to the author for an entertaining read and utilizing the real life historical characters without dishonoring them,” one reviewer cheers for the series. Other reviews call the series “Exceptional,” “A Great Read,” and “Fantastic Alternate History!”

Michael Roberts first conceived the idea after watching the popular musical “Hamilton,” and sketched out the first three books. The more he worked on them, more ideas about possible avenues and plot ideas came to mind, creating rich settings, engaging characters, and the

potential for several additional books in the series.

The books of the Pale Rider series by Michael Roberts include:

Book 1-Second Chance

Book 2-Another Chance

Book 3-Final Chance

Book 4-Aden's Chance

Book 5 (upcoming)-Lafitte's Chance
