Who is Wilfredo, Founder of Wil-Do Academy?

Wilfredo Reyes is a high school dropout himself. He was born and raised in the inner city of Philadelphia, a ghetto section of Philly. Knowing that he deserves a second chance, Wilfredo tries his best to change his life. He was able to find a mentor who changed his life for good and helped him become a prosperous knowledge entrepreneur. "I know what you're thinking. Just because it worked out for you doesn't mean it'll work out for me. That's where you're wrong: the

only thing that separates you and me is that I followed a system that I knew would work. And that's all I'm asking you to do: trust the process", says Wilfredo.
