Based in Valencia, California, [HyperGear specializes](#) in youth-inspired lifestyle accessories, including iPhone and other smartphone accessories, plus a wide range of gaming gear. Through its online store, CORE Gaming offers more than a dozen of HyperGear’s most popular products for gamers, including earbuds and headphones, high-definition webcams, and their popular 4-in-1 gaming kits.

The HyperStream 1080p Webcam allows users to capture, create and stream ultra-crisp, smooth, high-definition video. Its 110° ultra-wide-angle lens lets users capture their

entire gaming squad if they want. Truly plug and play, the webcam can be plugged into any USB port. There’s no need to install drivers, apps, or software. It’s also equipped with a noise reduction microphone, so voices come through clearly without unwanted noise.

HyperGear's SoundRecon RGB LED Gaming Headset enhances gameplay with full-range stereo surround sound, long-wear comfortability, and dynamic RGB lighting. Using the 3.5mm jacks, gamers can enjoy multi-platform compatibility for easy transitioning between PC/Mac, console, or mobile devices. Custom-tuned 40mm neodymium drivers provide a phenomenally immersive sound experience that lets gamers become part of the game. This headset is perfect for in-game and online chat.

For gamers looking for the essentials they need to get started at a price point that won't break the bank, HyperGear offers its popular "4-in-1 Gaming Kits" in Red Dragon & Crocodile styles. Each kit includes one full-sized RGB customizable backlit keyboard, an ergonomic 6-button RGB backlit scroll-wheel mouse, 40mm surround sound stereo headphones, and a large flexible gaming mousepad. Better yet – everything's designed to work together right out of the box!

HyperGear's CobraStrike True Wireless Gaming Earbuds offer pro-grade advantages in a pocket-sized form. Highlights include 3D positional sound, lagless low-latency synchronized audio, a background-filtering mic, and long-lasting battery life. These earbuds are perfect for playing mobile or for those who want to shed the bulk of headsets at their home base.
