

# The Amazing Flynn Creek Circus Comes To Amador County

*Explosive acrobatics, aerial stunts and breathtaking feats of strength will amaze visitors in Sutter Creek this summer*

SUTTER CREEK, CA, USA, July 1, 2022 /EINPresswire.com/ -- Visit Amador is excited to bring the Flynn Creek Circus to California's Gold Country, under the big top at the Italian Picnic Grounds on Highway 49. The fun runs August 4 through August 7, 2022, with seven action packed shows to choose from.

The all-human show, "Balloons, Birds and Other Flying Things," strings together a series of vignettes based on real memories submitted by their audience. In this performance, a father rescues a balloon for his small daughter and sets in motion a lasting memory that challenges the way we think about our connections to the present and the past.

"Balloons, Birds and Other Flying Things" is charmingly self-aware, raw, edgy, sometimes profound and family friendly. Flynn Creek Circus brings international award-winning performers and the soul stirring sounds of Eric McFadden and Kate Vargas, to an intimate setting for a truly authentic experience.

“

...the distinction between past, present and future is only a stubbornly persistent illusion.”
