NEW PORT RICHEY, FLORIDA, UNITED STATES, July 1, 2022 /

[EINPresswire.com/](https://EINPresswire.com/) -- Skillable has been selected by Training Industry as a 2022 Top Training Company for their Online Learning Library. This is the company's eighth program recognition since May

2020, complementing their inclusion in the 2021 Top 20 Online Learning Library list and Watch List inclusion in the Experiential Learning, Custom Content Development, IT Training, Online Learning Library and Training Outsourcing categories (view the company's accolades at [skillable.com/trophy-case](https://skillable.com/trophy-case)).

Training Industry is the most trusted source of information on the business of learning. Their Top 20 Online Learning Library list is based on thorough analysis of the best and most innovative providers of training services and technologies, focused specifically on the following criteria:

- Breadth and quality of courses, features and capabilities
- Industry visibility, innovation and impact in the online learning library market
- Client and user representation
- Business performance and growth

In addition to serving as an Authorized Lab Host for vendors like Microsoft, CompTIA and EC-Council, Skillable offers Challenge Labs, a catalog of more than 1,000 labs across a variety of topics and technologies such as AWS, Azure, Data, developer languages, IT operations and cybersecurity.

"Skillable's mission is to increase opportunities through skilling and the hands-on content we offer absolutely serves that purpose," says Corey Hynes, Chief Executive Officer of Skillable. "I'm proud of our team's efforts in creating content that both challenges learners and complements

their hands-on skilling journeys. Skillable is paving the “learn while doing” path and has plans to offer hundreds more valuable labs in 2022.”

“This year’s Top 20 Online Learning Library Companies features a strong course catalog that sets the standards of quality comprehensive solutions,” said Jessica Schue, Market Research Analyst at Training Industry, Inc. “These organizations offer up-to-date, on-demand content covering a broad array of training topics with the capabilities of customizing the learner experience to keep their learners engaged.”
