I couldn't think of a better place to fly the American Flag than over Times Square, In the same city where Lady Liberty stands tall.”

"I'm so proud to stand and say that I love this country," says Owens. "The American Flag is the beacon of hope to all people. It represents Freedom and hope to those oppressed around the world. I couldn't think of a better

place to fly the American Flag than over Times Square, In the same city where Lady Liberty stands tall."

Owens has been making regular appearances on the conservative circuit in recent months,

including frequent visits to Mar A Lago and a main stage appearance at CPAC 2022 in Orlando, performing the national anthem for the largest and most influential annual gathering of conservatives in the world. She also performed for nearly 50,000 at this year's Hero's Honor Festival alongside Toby Keith and Craig Morgan.

Owens exploded onto the Christian Music scene in 2016 and quickly found herself touring with Christian Music's most iconic artists, including Michael W. Smith and Jason Crabb. Her sophomore album, *We Will Rise*, was named "Inspirational Album of the Year" at the 2018 We Love Christian Music Awards, which led to a deal with Nashville-based Radiate Music and extensive media coverage including appearances on Fox News, HLN, Newsmax and more.

American Patriot was produced for Nashville-based record label Radiate Music by GRAMMY-nominated and multiple Dove Award winner Ian Eskelin. A portion of all proceeds from the new album will go to support organizations that directly invest in our veterans and American heroes.
