MAYBROOK, NEW YORK, UNITED STATES, July 3, 2022 /

EINPresswire.com/ -- A stunning new drop by [Soular235](#), [“Never Ever!”](#) underscores the finest tricks that the dynamic artist has to offer. From memorable rhythms that complement hard-hitting, honestly curated lyricism, to flow that remains unmatched and unparalleled, “Never Ever!” is a fantastic new addition to Soular235’s discography.

The new single was released for audiences through the artist’s official music platforms on May 24th, 2022 and was produced by Dannonn. Known for creating his characteristic novel and “clean” musical compositions, Soular235 hopes to pay tribute to the best of Hip Hop and draw listeners back to the “golden era” of the genre.

“Never Ever!” builds onto a rich roster by the artist that also features his 16-track album intriguingly titled, “Lyrical Crucifixion”. For Soular235, music has always been a seamless means of expressing himself and the range of emotions that he feels. But more than anything, music has acted as a great teacher for the artist, who remains influenced by budding underground artists who in his words: “break down hip hop in its purest form”.

Seasoned Artist Soular235 Inspires with Captivating New Single

Fascinated by the intricate ways words can blend with music to create something legendary, Soular235 counts unsigned artists such as George Shannon among inspirations who taught him how to let go of his emotions and format his pain into poetry. With tracks such as "Never Ever!", the artist continues to spin clean music that narrates his own story.

"As an artist from the golden era, my goal is to inspire the young through the music I provide based on the experience I have been given. While other talented artists tend to follow the trend, I chose to follow my own path," says Soular235 about his music and craft.
