Brewer by Skye McNeil is now available

Book four in the bestselling Macha MC series, "Brewer" is the story of Brewer Stapleton who is on the hunt for a Macha MC's traitor. Nothing will keep him from his mission, not even the woman who unexpectedly brings him to his knees. It's a gripping and at times moving story of passion and devotion, complete with a happily ever after that romance readers will celebrate.

"Motorcycle club books have always intrigued me," said author Skye McNeil, "The sex appeal, the danger, the total bad-boy vibe draws me in time after time. That's what Macha MC will bring each

time a reader discovers the club's men. With plenty of bad boys with hearts of gold, Macha's members are one of a kind. If you're looking for a new style of MC bad boy, look no further than my Macha MC series."

"The crisp spring air bit at his face but less intensely than it should, thanks to his bushy red beard. He zipped up his leather jacket with the Macha emblem stamped on the back and his name and role in the club on the front. For as long as he could remember, he'd been in Macha. His parents met thanks to the MC, and both he and his sister were conceived and delivered in Macha's clubhouse. Macha was in his blood. He'd never leave the club that was his family." - from "Brewer"
