

The 23rd Annual Military Airlift and Air-to-Air Refuelling Conference to take place in Florence, Italy, in November 2022

SAE Media Group reports: Registration is now open for the Military Airlift and Air-to-Air Refuelling Conference, taking place in Florence, Italy, this November.

FLORENCE, ITALY, July 5, 2022

/EINPresswire.com/ -- For the last twenty-two years, the [Military Airlift and Air-to-Air Refuelling](#) Conference brought together military experts, agencies and organizations alongside leading aeronautical industry, companies, and service providers.

Returning on the 29th and 30th November 2022, in Florence, Italy, SAE Media Group will again host a valuable forum to explore the strategic and tactical airlift capability in the region and offer allied programme managers the chance to network with leading tanker OEMs and systems integrators.

For those interested in attending the event, the £300 early bird offer will expire on the 30th September 2022. Register at <http://www.military-airlift.com/pr1>.

Preview of the expert speaker line-up this year:

- Air Commodore Anthony Lyle, Commander - Air Mobility Force, Royal Air Force
- Colonel Sean Finnan, 86th Operations Group Commander, US Air Force
- Colonel Jurgen van der Biezen, Commander, Multinational Multirole Tanker Transport Unit
- Lieutenant Colonel Harald Struznya, Commanding Officer, Strategic Airlift International Solution
- Lieutenant Colonel Jonathan Clow, Business Development, ACT Innovation, NATO Allied

A promotional poster for the conference. At the top, it says 'SAE Media Group's 23rd Annual...'. Below that, the title 'MILITARY AIRLIFT AND AIR-TO-AIR REFUELLING' is written in large, bold, blue capital letters. Underneath the title, the dates and location '29 - 30 November 2022 | Florence, Italy' are displayed. The central image shows a military transport aircraft, likely a C-17 Globemaster III, flying towards the viewer against a bright, orange-hued sky. At the bottom of the poster, the website 'www.military-airlift.com' is printed in white. Below the poster, the text 'Military Airlift and Air-to-Air Refuelling 2022 Conference' is written in a smaller font.

Command Transformation

•Major/Dr Jacopo Frassini, Doctrine Staff Officer, NATO Centre of Excellence for Military Medicine

The brochure and agenda will be released shortly. Visit the downloads centre to view related content including the past attendee list, past presentations, and the invitation letter from the Conference Chairman at <http://www.military-airlift.com/pr1>.

Innovation leaders from across the international air mobility and airlift community will gather [at this unique event](#) giving delegates plenty of networking opportunities as well as access to knowledge from private sector industry leaders.
