SILVERDALE, WASHINGTON, UNITED STATES, July 5, 2022 /EINPresswire.com/ -- As the Puget Sound's summer weather heats up, the coolest event of the season takes center stage — the annual Rotary International Duck Race at Silverdale's Whaling Days. Home town [heating & cooling leader](#), Quality Heating & Cooling, is your local pit stop to get your racing ducks in a row and race for one of 64 very cool prizes.

Last year, Quality Heating offered thousands of dollars for qualifying heating, electrical or air conditioning systems like the new ductless [Atmosphera Single Zone air conditioner](#) with the revolutionary new R-32 refrigerant. This air conditioning technology is the first of its kind in North America to feature the newest, world-class refrigeration standard.

This year, the winner of the Quality Heating prize will receive \$1750.00 as an in-kind contribution toward the purchase of a qualifying high efficiency heating or cooling system or a \$650.00 cash donation if the winner is unable to use the \$1750.00.

The Quality Heating office at 9960 Silverdale Way (in the Safeway/Rite Aide shopping center) is an official ticket purchase center. One racing duck goes for \$5.00, a Quack Pack of 5 ducks is \$20.00.

Duck Race Tickets Now On Sale. The Big Race is Sunday, July 31.

When you buy a ticket to the big Duck Race, your yellow rubber ducks will float, bob and weave through the choppy waters of Silverdale's Dyes Inlet. The fastest ducks will win one of 64 great merchant prizes and 12 cash prizes. The grand prize is a three-year lease for a 2022 Nissan Frontier pickup truck, or \$16,000 cash.

All money raised for the race goes directly to programs that impact the lives of those in need. From feeding homeless children, supporting the Teen Center at the Haselwood Family YMCA, and Stand Up For Kids, to providing scholarships for graduating High School Seniors, dictionaries to 3rd Graders or supporting Corey's Day at the Farm, the Silverdale Rotary Club supports our youth.
