DJ SHADOWMIND The Alien DJ

The collection is a satirical piece, which depicts the uncovering of the Illuminati's "Alien Agenda". With a chuckle, DJ SHADOWMIND states, "The New World Order is coming in fast and the only thing the Elite have left to do is to disclose the alien presence to the public and wait for the people to panic." It contains a treasure trove of hidden Easter eggs, secret codes, and hidden gems untold. There is both an underlying message, and a gigantic puzzle to be solved within the collection itself.

“

I wanted to give fans a small taste of the future of cryptographic NFT games. As the collection grows to completion, I will unlock the next series of puzzles.”
