

VRise Therapeutics Inc. Announces Expansion of its Scientific Advisory Board

New advisors include leading experts in Molecular & Cancer biology, CADD & AI and Drug Delivery

CAMBRIDGE, MA, U.S.A., July 26, 2022 /EINPresswire.com/ -- VRise Therapeutics Inc., a precision oncology company, aspiring to bring breakthrough novel therapies in otherwise undruggable targets, today announced additions of new members to its existing 'Scientific Advisory Board' as it enters its next phase of expansion and growth.

The new scientific advisors include leaders from both academic and industry representing biological sciences, pharmaceutical discovery, and product development.

VRise welcomes all the distinguished scientist to its Scientific Advisory Board (SAB):

Neetu Singh, Ph.D., Associate Professor, Department of Molecular Biology, Center for Advance Research, King George's Medical University (KGMU), Lucknow, India.

Appaji Mandhare, Ph.D., Consultant, Computer Aided Drug Design (CADD) and Artificial Intelligence (AI)

Vivek Trivedi, Ph.D., MRSC, MAPS, Associate Professor, Chemistry and Drug Delivery at University of Kent, United Kingdom

"We look forward to working with a high-spirited and experienced group of advisors as we plan to expand our discovery platform by adding new age modalities beyond small molecules to enrich our existing pipeline and take the company to the next growth path of development" said Prashant K. Bhavar, Founder of VRise Therapeutics Inc. "Each of our advisors bring in diverse perspectives and knowledge from across disciplines, that will help VRise further drive its Research & Development efforts to bring precision medicine to improve the lives of patients."

About VRise Therapeutics, Inc.

VRise Therapeutics is a precision oncology company aspiring to bring transformative change to the lives of cancer patients. The company is working on novel biological targets by leveraging next generation technology and a global network to accelerate the discovery and development of breakthrough drugs.
